

Information for overseas international applicants to the Dance courses at WAAPA

Introduction:

WAAPA holds auditions for its dance programmes in many capital cities around Australia. Applicants should try to attend an audition in person. Many successful applicants come from remote or rural areas; from overseas, or may be unable to attend an audition due to injury etc. We accept video auditions in these circumstances.

You need to read "Dance Application & Audition Information" for information about applying, attachments and eligibility.

The video format:

Provide us with a video on either a DVD, or upload the video to Vimeo or YouTube and [email](#) us with the link and password.

It is important that the sound and visual quality of the video is high so the panel can assess your presentation. The room needs to be well lit and you should use a higher quality remote microphone rather than the camera microphone.
