Information for overseas international applicants to the Bachelor of Performing Arts (Performance Making)

Introduction:

WAAPA accepts video auditions from interstate and international applicants only. Applicants from rural and remote areas are expected to attend an audition in Perth or Brisbane. If you are from a remote rural part of Australia and cannot attend one of these auditions, please apply online though ECU’s applicant portal and contact the Course Information Hub immediately.

In addition, you need to read “Performing Arts Application & Audition Information” for information about applying, attachments and eligibility.

The video format:

You need to provide us with a video on either a DVD in playable format the can be played in a domestic DVD player (ie not computer files such as avi, mov, wmv, etc), or you can upload the video to Vimeo or YouTube and email us with the link and password.

It is important that the sound and visual quality of the video is high so the panel can assess your presentation. The room needs to be well lit and you should use a higher quality remote microphone rather than the camera microphone.

The video content

- Introduce yourself with by telling us your name and country of origin and a brief explanation about why you wish to come to study at WAAPA in Western Australia.

- Include a solo performance which could be a monologue, or a self-devised movement/physical theatre piece. Any text should be in English and could be a contemporary or traditional Shakespearean piece from the WAAPA list or something self-written. The maximum length is three minutes.

- The course is fulltime with a high amount of contact hours and rehearsal commitments. This means that opportunities for taking on part time work are very limited. If you are an International Applicant, please tell us how you intend paying the fees and supporting yourself during your studies.

Sending the DVD

The DVD must be received marked clearly with your name and the course you are applying for by 31 October. Send the DVD to:
