The Audition/Interview

For the Performance Making major

You will be required to attend an audition, where you will participate in some group vocal and movement activities and then perform a monologue to the panel in a brief, private interview. The process will take about three hours. The monologue you perform must be a contemporary piece chosen from the WAAPA list or a piece you have written yourself (maximum length 3 minutes). For students who are applying for more than one course your chosen monologue can be the same contemporary piece you may have used for Acting/Music Theatre auditions. Notes may be taken during your audition; these are not released to you and are used as part of the selection process.

Call-back Auditions will be held on **Thursday 6th December 2018 at 10:00am**. Someone from WAAPA will contact you if you are required to attend the call-back. Allow four hours. Your call-back audition may be filmed and/or recorded for panel review and assessment purposes. If you do not wish for this to happen, please advise your panel **BEFORE** the commencement of the audition.

For Practice Transition major and Production & Design major

Please note, to be eligible for this major, you must have a completed an Advanced Diploma in a relevant discipline or equivalent. You will be required to attend a short interview to discuss your suitability for this course. You may bring a portfolio to the interview to help demonstrate your work to date. For more information, contact the Coordinator, Frances Barbe (6304 6161 f.barbe@ecu.edu.au).

We regret that it is not possible to give any individual feedback on matters relating to your audition.

After The Audition:

All applicants should be notified by email of the result of the **audition or interview component** of their application before Christmas. If you do not receive a call-back we regret that you will not be receiving an offer this time and a letter confirming this and thanking you for your audition will be sent to you. If you attended the call-back, you will receive final word on the outcome after a final decision has been made.

Academic Entrance Requirements (IMPORTANT):

In addition to passing the audition, applicants to the Bachelor of Performing Arts must also meet Edith Cowan University entrance requirements to get a formal offer of a place from ECU. Successful auditionees who are in Year 12 must remember to send their examination results to the Student Information Office as soon as they receive them (usually over Christmas). Applicants who are concerned they do not meet Edith Cowan University's entrance requirements and will not meet these requirements upon completion of their current course of study should contact [Student Recruitment](#) for details on alternative pathways. It is important you complete the section on the application form relating to your academic qualifications and attach the documents requested.
