

TRAIN WITH WAAPA IN ALBANY CUA50820 – DIPLOMA OF MUSIC

WAAPA is offering an exciting new opportunity for aspiring musicians in the Great Southern region – from 2023 onwards, WAAPA's expert Music staff will be delivering its Diploma of Music course in Albany.

Focussing on practical and industry skills, students will undertake weekly ensemble rehearsals, instrumental/voice lessons, classes in theory and aural, business skills, electronic media and more. Throughout the year, additional WAAPA staff will also travel to Albany to lead intensive performance weeks. During these weeks, students will focus on developing and rehearsing repertoire to be performed at a public concert.

For 2024, WAAPA is focussing on contemporary music and classical strings students.

"I found a place where it was OK to sing every day..."

Every day I managed to find some inspiration, even if it was only a small piece... I found a place where it was OK to sing every day and I have not stopped since.

MEG MAC
Contemporary Music graduate

Apply now for 2024

Auditions information will be available from 1st June 2023
